

Acquire One Prepaid Mastercard

(Terms and Conditions)

Your Prepaid Mastercard (“Card”) is a Mastercard issued by EML Payment Solutions Limited (“EML”) ABN 30 131 436 532, AFSL 404131 (‘we/us/our’). EML is the issuer of the Card and has authorised Acquire One Pty Ltd ABN 79 619 546 020 (“Acquire One”) to distribute the Card. In these terms and conditions, ‘you’ are the Card purchaser or user and if you acquire the Card, you will have a contract with us.

By allowing the addition of the Card into your Pays-enabled device or by activating the Card, you agree to be bound by these Terms and Conditions. All users of the Card must be provided these conditions. The Card remains the property of Acquire One Pty Ltd.

Using the Card and Expiration

- The Card is a Mastercard prepaid card that can be used for purchasing goods and services where Mastercard prepaid cards are accepted for electronic transactions (excluding transactions at ATMs or over the counter at financial institutions).
- The card must be activated within 3 months of issue. If the card is not activated within 3 months of issue the cardholder will forfeit the value.
- The card will expire according to the month and year printed on the card.
- Once receipt of card is confirmed, funds will be available 12 pm the following business day.
- The Card is valid until the expiry date and cannot be used after expiry.
- At expiry, the remaining available balance will be forfeited. **We will not give you any notice before this happens.**
- You can check the expiry and card balance on <https://sam.emerchants.com.au/>

Card Limitations

- The Card cannot be used to make transactions that exceed the available balance. For such a transaction you need to pay the difference by another method if the merchant agrees.
- The Card is not reloadable.
- The Card is not a credit card and nor is it linked to a deposit account with us.
- The Card cannot be used to obtain or redeem cash and cannot be used for making direct debit, recurring, or regular instalment payments.
- Authorisations may be declined at some merchants (such as gambling merchants or merchants who choose not to accept the Card).

Waivers

- We are not liable in any way when authorisation is declined for any particular transaction except where the authorisation has been declined because of an act or omission on our part.
- We are not liable in circumstances where you have other cards stored on your Device for payment and you inadvertently use the Card when using your Device as a payment method. You must ensure that you select the correct card prior to using your Device as a payment method.
- We are not otherwise liable for the use, functionality or availability of a Device, the availability of merchants who allow the use of the Device and Card as payment, or a reduced level of service caused by the failure of third party communications and network providers (except to the extent deemed liable under the ePayments Code).
- We are not liable for transactions on your Card if: a) your Device security measures are compromised; or b) where you allow others access to, or the means to access, your Device; or c) any other circumstances in which you allow others to circumvent the security measures of your Device.
- The Card is like cash and may not be replaced if misused, lost, stolen or damaged.
- Acquire One may, at its absolute discretion, replace a damaged, lost or stolen card for a **\$15** replacement fee. Any replacement gift card will have the same expiry date and unused value less any replacement fees. Apply by calling Acquire One on 1300 974 538.
- The card will be void if it is defaced, mutilated, altered or tampered with in any way.

Fees

- We do not charge any fees for using the Card. However, some merchants may charge you for using the Card and such fees may be deducted from the balance of your Card at the time of the transaction.
- A 2.99% foreign exchange conversion fee applies to transactions in any currency other than Australian dollars and is calculated on the Australian dollar transaction amount. This will be included in the total transaction amount debited to the Card.

Refunds

- Any refunds on Card transactions are subject to the policy of the specific merchant.
- Refunds may be in the form of a credit to the Card, cash refund or in-store credit. If the Card expires or is revoked before you have spent any funds resulting from a refund (whether or not the original transaction being refunded was made using the Card) then you will have no access to those funds.
